THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID), which shall always receive his attention.

As the compilation of the Quarterly HALF-PAY LIST *may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.*

The promotion of a considerable number of Midshipmen to the rank of Lieutenant, during the present Month, has rendered it necessary to publish the List on the first of March, notwithstanding the notice in last Number.

The next Number will be published on the First of APRIL.
